Work Experiences:

Customer Experience and Management

Moments Events Management, Doha, Qatar

March 2022 – May 2022

- Took charge of daily operations at Moments Events Management, guiding my team and keeping service quality top-notch to make every event run smoothly.
- Built strong client relationships by listening to their needs, efficiently solving any issues, and creating positive experiences that brought them back for more.
- Kept event equipment and managed physical inventory, making sure everything was ready to go for successful, hassle-free events.
- Handled the branch's finances with care, tracking every transaction, balancing accounts, and preparing clear reports to help guide big-picture decisions.
- Shared practical ideas with the CEO based on what I saw on site, helping boost the branch's performance and streamline how we worked.

Academic Publication:

“AI-Driven Supply Chain Transformation At DHL” - 2nd INTERNATIONAL CASE CONFERENCE ON BUSINESS AND MANAGEMENT ICCBM 2025 (Publication: Emerald Publishing)

Co-Curricular Activities:

Global Finalist (Top 50) | ISCEA Global Case Competition 2025

September 2025

- Ranked in the top 50 of 400+ teams, demonstrating advanced proficiency in strategic supply chain modeling and end-to-end logistics analysis.
- Formulated data-driven solutions for complex business cases, focusing on inventory optimization, procurement strategy, and operational efficiency.
- Recognized with a prestigious award for excellence in case analysis, leading to a sponsored scholarship for professional Certified Supply Chain Analyst (CSCA) certification.

Semi-Finalist | BIZ VERSE 2025 National Inter-University Case Competition

October 2025

- Developed comprehensive business strategies and data-driven solutions for complex industry challenges.
- Presented strategic recommendations to a panel of corporate leaders and industry experts, demonstrating high-level communication and persuasive storytelling skills.
- Collaborated within a cross-functional team to conduct market research, financial forecasting, and risk analysis for real-world business scenarios.

BRAC University Business Club (Biz Bee), BRAC University

August 2022 – March 2023

- Media Outreach and Partnerships
- Internal and External Club Events and Meetings
- Recruitment and onboarding, Seminars, Corporate collaborations, and student management

Qatar Sports Tech Virtual Hackathon V.2.0 Finalist

October 2019

- Spearheaded the end-to-end development of "Al-Zubara," an innovative mobile application designed to digitize Qatar's cultural heritage and tourist attractions for the 2022 World Cup.
- Drove the strategic ideation process, crafting a user-centric roadmap that integrated historical narratives with sports-related attractions to enhance the global fan experience.
- Delivered a compelling technical pitch to a panel of venture capitalists and industry experts, successfully articulating the app's market scalability and securing Top Finalist recognition.

House Prefect, House Meghna

January 2019 - June 2020

- Supported School Management in executing successful intra- and inter-school competitions and events.
- Achieved Overall Rank #1 for the year 2019 - Cultural, Sports, and Arts
- Managed internal and external stakeholders
